

Get on the Right Path

The Bible tells us, and our experience shows us, that we are all sinners. It is impossible to keep the Ten Commandments perfectly. But God offers a way to be saved from hell. Find the commandment that was broken in each circumstance below. Then put the letter or number you find on that commandment in the stepping-stones to discover the way to forgiveness and heaven.

1. You didn't make your bed after your mother told you to.
2. Your friend just got a new video game and you are pouting because you can't have one like it.
3. You and your best friend are upset with another friend. You start to tell others that she was mean to you and said some terrible things, but she didn't really say anything.
4. Your little brother is so annoying! And you just can't take it. You get so angry when he comes into your room and asks you a simple question. You tell him to get out! Stop bugging you! Leave you alone! You are angry with him.
5. You are watching TV and you hear someone say "Oh, God, you are kidding me!"
6. You took a dollar from your brother's wallet without asking.
7. It is Sunday morning and you are too tired to get out of bed. You just don't want to go to church and worship God—and so you don't go.

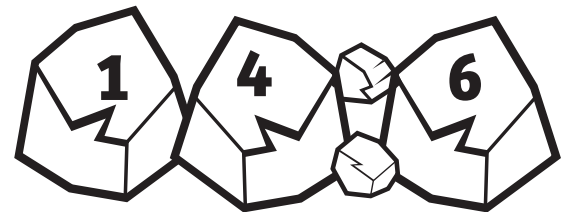

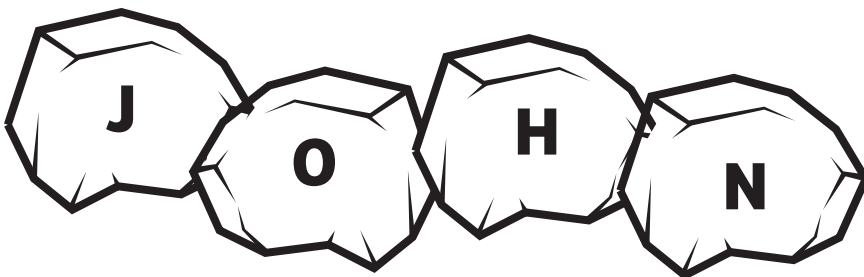

Now look the verse up in your Bible and copy it below. There is only one way to the Father and to receive forgiveness of our sins. It is never about what WE do or don't do.
