

# Memory Verse Review Phrases

Print and cut out the phrases. Tape phrases to the students' backs. If you have fewer than 12 students, tape more than one phrase in the proper order on some students. If you have more than 12 students, cut the phrases into additional pieces.

Have students work together to put themselves in order. Once they think they are standing in order, check the verse by reading the words out loud according to how they are standing.

Ask for volunteers to say the verse alone. Pick someone to read the verse off the backs of the students while one student recites the verse to check for accuracy. If appropriate, hand out small prizes to the students who are able to say the verse without prompting.
