

Power Over Nature Game Teacher Guide

PREPARATION

- Print and cut out the Game Numbers. Place numbers in a cup or bowl so the teams can draw them out. Optional: Allow teams to use a die to roll random numbers.
- Print one Game Board for every 2–3 students.
- Distribute a button or coin to each team for game pieces.

GAME DIRECTIONS

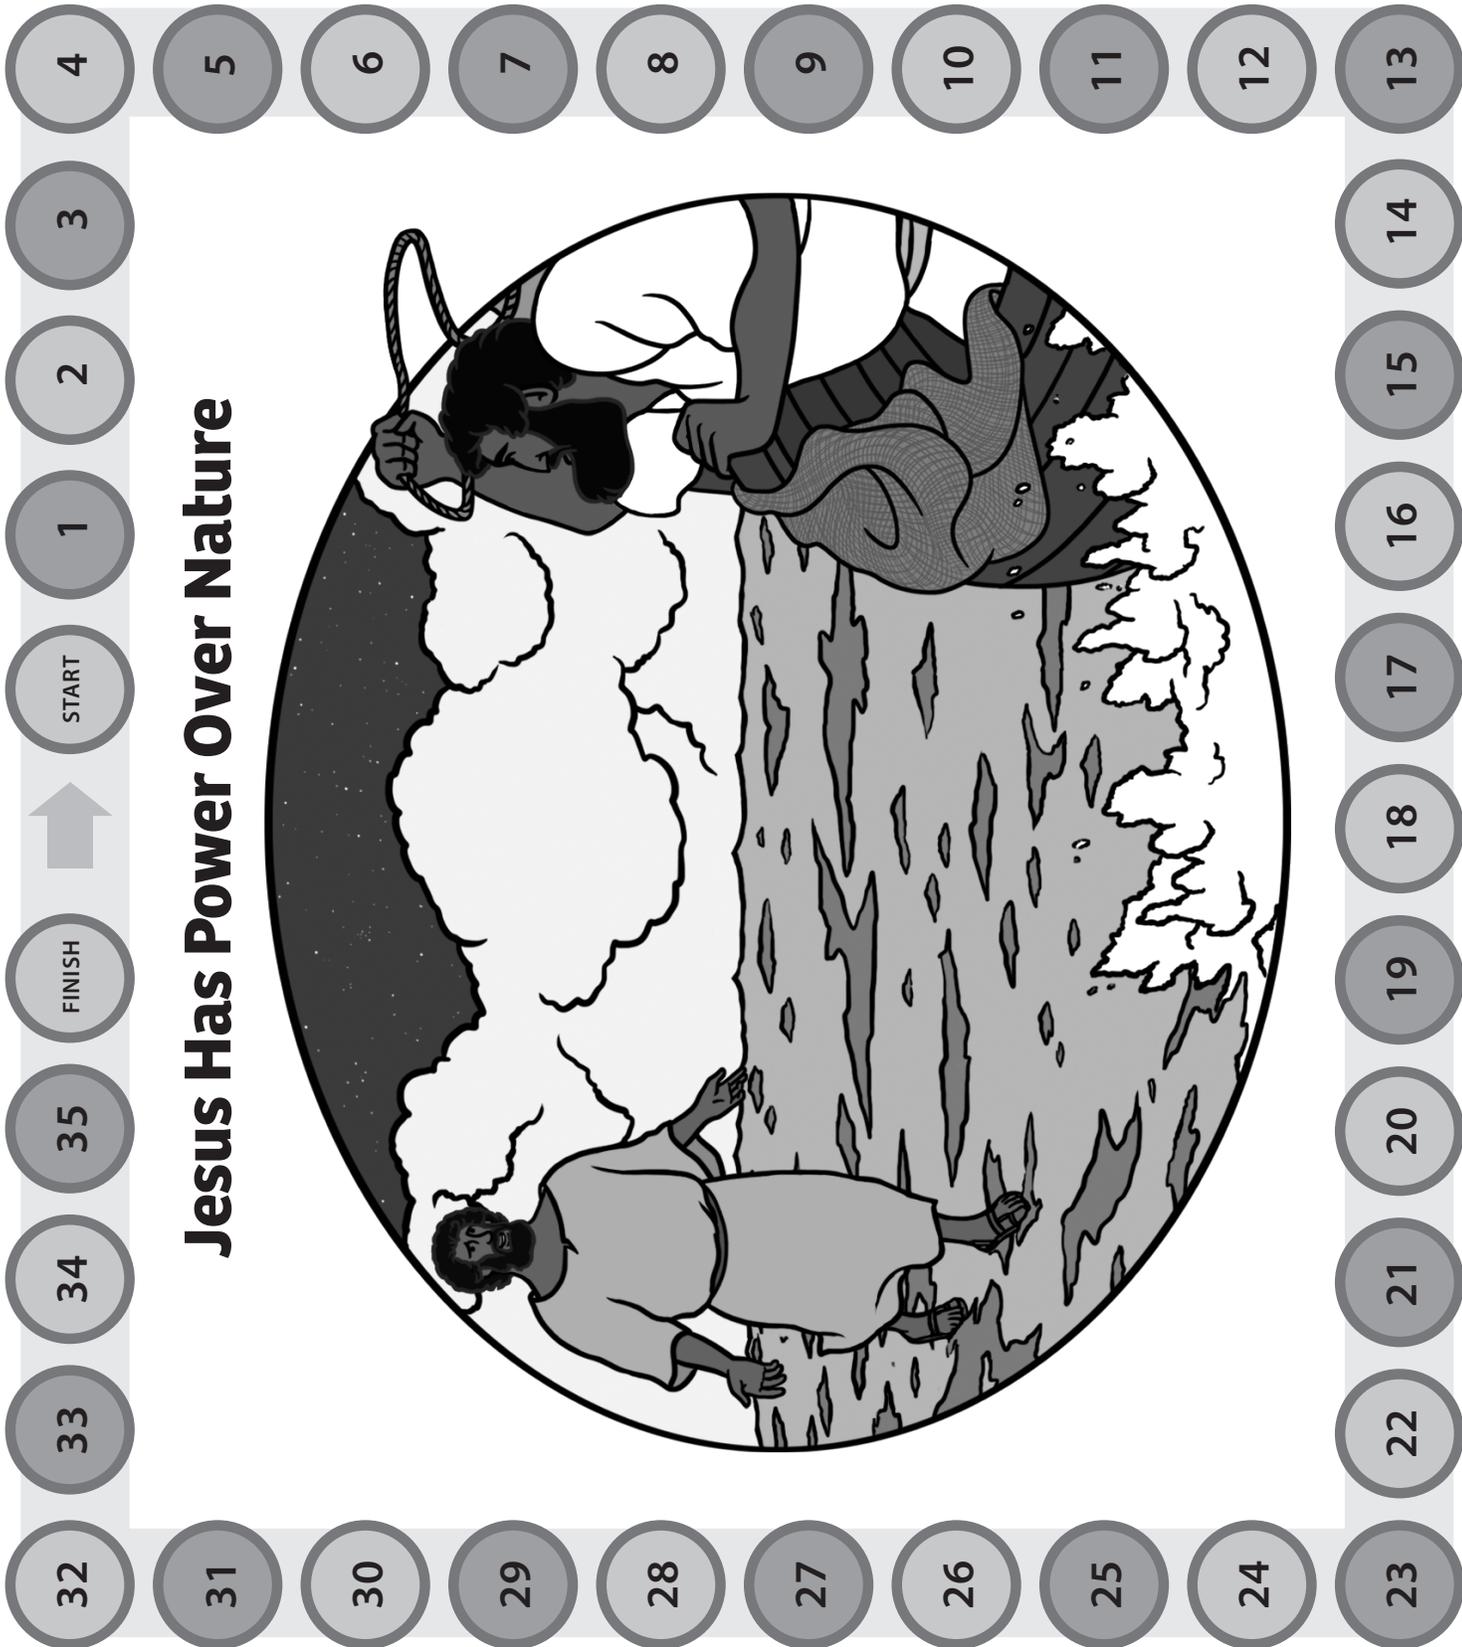

- Divide the class into teams of two or three. Pass out a game board and a button/coin to each team. Explain how the game will be played.
- Each team will take turns drawing numbers from a cup and answering questions from the Power Over Nature Game Questions.
- A spokesman for the team will give the answer. If correct, the team will move forward according to the number drawn.
- If the team misses the question, the teacher will give the correct answer, and the same question may be repeated later in the game. Go on to the next team.
- Repeat questions if time allows.
