

Quarter Overview Display Material

Print one copy of the Quarter Overview Display Materials on pages 2–10. As you begin today's lesson, you will place the poster of the questioning boy on the wall as you say, "Here you are on the first day of our new Bible learning adventure—this person represents you! Through our study over the next weeks, you'll hear the answers to some questions that you may have wondered about like . . ." Place question bubbles on wall around the person as shown below, reading them as you place them. You may leave this display on the wall for the next six weeks as you answer these questions.

Why do we have to use the Bible at all?

Who wrote the Bible?

Does the Bible have mistakes?

What is the Trinity?

How did we get the Bible?

Lots of religions claim to have God's Word, so how do I know the Bible is true?

Does God really even exist?

How can I know what God is like?
