

# Gideon's Four Corners Questions

## TEACHER DIRECTIONS:

Tape the four signs to the four corners of the classroom. Read each one as you tape them up. This game is like Four Corners in that students will be choosing their answers by moving to a corner of the room. The four corners will be The Lord, The Midianites, The Israelites, and Gideon.

Read the questions below one at a time and allow the students to move to where they think the correct answer is. Count down from 10 if the students are taking too long. After the students pick their corners, review the answer with them.
