

Cycle Relay Game Instructions

INSTRUCTIONS

Set up: See diagram below. Tape the starting line and put tape on the backs of the relay cards before the game begins. Before playing, put the title card and the five cycle relay cards up on the board in the correct order. As you tape up the cards, read and trace the outline of each one. Draw arrows between the cards to show the cycle. Draw two templates on the board for the two teams. Leave the Title Cards in place; take the event cards down.

Play: Divide the class into two teams. You'll need one adult per team. Teams will play the game at the same time. Read the Scriptures below one at a time. Students will race to choose the card with the correct part of the cycle. (The team members may help determine which would be the correct card.) After finding the card, the student will run to the board and put it in the correct outlined box. When the student returns, the teacher will read the next Scripture to the team. Play continues until the five Scriptures have been read. The team who completes the cycle correctly first is the winner.

If you have more than ten students and/or if you have more time, repeat the relay!
