

God Is Good Action Teacher Instructions

1. Print and cut out the God Is Good Cards and the Action Cards.
2. Have the class sit in rows facing each other—two teams.
3. Explain the two types of cards and read what each says. Put the cards in two separate stacks face down on the floor between the students.
4. Assign one student from each team to take one card from each stack. They should read the cards out loud (assist them if necessary) and return to their team.
5. The team will then act out the cards together—performing the actions and repeating the statements.
6. They will replace the cards into the appropriate stacks.
7. Alternate teams.
8. Example: Susie picks the God gave them kingdoms and nations card—Say it 2 times and Max chooses the run in place card. Susie, Max and their team will repeat “God gave them kingdoms and nations” two times while running in place.
9. You can motivate participation by keeping score using the numbers on the God Is Good Cards. Award points if the entire team participates.

Run in place.

ACTION CARD

March in place.

ACTION CARD

Turn in a circle.

ACTION CARD

Jump on one foot.

ACTION CARD
