

Tic-Tac-Toe Review Game

Tape a tic-tac toe grid pattern on the floor large enough for a paper plate to fit inside each square. Divide the class into two teams—blue and red. Ask each team a question. If the team answers correctly, allow students to place a plate on the tic-tac-toe grid. If the team cannot answer correctly, allow team 2 to answer. If no one gets the answer, give the correct answer and repeat the question later. Repeat the process above until a team gets tic-tac-toe. Continue play as time allows. Encourage the students to look at their class notes, the Lesson Theme Poster, and other posters that may help them during the game.
