

Nehemiah's Wall Relay Game

TEACHER INSTRUCTIONS:

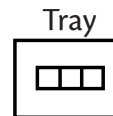

- Make one copy of these directions and questions below for your use.
- Divide the class into two teams.
- Mark two start lines equal distance away from the board with masking tape.
- Use the diagram below to set up blocks on two trays.
- Put one tray with blocks on the floor for each team.

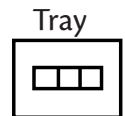

- On "Go," the first two students will pick up their trays and walk to the board as quickly as possible. If the blocks topple over, the student must stack them up again before moving forward.
- The first student to the board gets to answer a question to earn points for the team. (Read the Scripture listed, if needed.) Award the points listed on the questions below for each correct answer.
