

Paul's Journey Game Teacher Guide

INSTRUCTIONS

Place the ten Paul's Journey Game City Signs around the room. Divide the class into two or more teams depending on the class size. Each team will select one person to be "Paul" for that team. The "Pauls" will stand by the #1 Start sign. Read the names on the signs reminding the students where Paul's second journey took him. Ask the first team a question. If the students answer correctly, their "Paul" should move to the next city sign. If the students answer incorrectly, their "Paul" may not move. Ask the other team the same question. If the students answer it correctly their "Paul" may move AND that same team will also get a new question. The first team to reach the #10 Finish sign AND answer the question correctly at the finish sign, wins. If there is extra time, you may want to switch teams and "Pauls" and play again. Or, have the entire team "travel" together as they answer the questions.
