

# Can You Obey? Commands

*Print one copy for your use. These are ideas for you. If students can obey perfectly, allow them to take a small step forward. You can repeat the list if no one has reached you by the time you get through it. If a student doesn't obey, have him take a step backward. Pass out small rewards when students reach you successfully.*

OK. Who can obey?

- Swing your arms.
- Pat your head. (Don't Stop!)
- Take one small step.
- Stop patting your head.
- Turn around once.
- Giggle.
- Take two giant steps forward, while giggling!
- Laugh out loud.
- Spin around twice.
- Jump forward two jumps.
- Rub your tummy!
- Take three tiny steps while you are rubbing your tummy!
- Jump ahead.
- Touch your nose!
- Bite your lip!
- Take two steps ahead while you are touching your nose.
- Touch your head!
- Take one giant step while you are touching your head.
- Pat your head and rub your tummy. Don't stop!
- While patting your head and rubbing your tummy, take four steps toward me.
