

# Courage Maze

*Cut out the four maze pictures before class. If appropriate, students can color the pictures. Fold the pictures back at the dotted line. Glue the folded bottom of each picture to the rectangle outlines on the maze sheet so the picture stands up. Using crayons, students can complete the maze by following the path from David to Goliath. Discuss how God prepared David to fight Goliath even when David was a shepherd. And David came to the battle against the giant in the name of the Lord.*
