3. Who led Esther, Mordecai, and the king to save the Jews? *God.*

God is always in control. He knows every detail! He leads us wherever we need to go. And we can trust Him! He can use us to help work His plans, like He used Esther to save the Jews. Sometimes we might not know what God is doing—like when you were blindfolded, you didn't know where I would lead you. But we can always trust God and follow Him.
