Print one copy for your use during the Come On In Activity. After children have colored the Lesson Review Coloring Sheets, they will tape them on the board as you describe briefly what occurred in the lesson. See script below.

LESSON 7

God sent a messenger, the angel Gabriel, to tell Mary the special news about Jesus. God had chosen her to be the mother of Jesus. Jesus would be great! He was the one that the people were waiting for! Jesus would be the forever King.

LESSON 8

One night in Bethlehem, Jesus was born. We know that Jesus is God—He is a great King! But no one gave Him a big birthday party. As a matter of fact, Jesus was born in a place where the animals usually stayed! His cradle was a manger that the animals ate from. Jesus was born in a very simple and humble way.

LESSON 9

Some people loved Jesus and were excited about His birth. The wise men came a long, long way to find Jesus, and then they fell down and worshipped Him. They knew He was God, the King of kings. They brought treasures to Him—gifts of gold, frankincense, and myrrh. All of these were special gifts for Jesus.

LESSON 10

Because He is God, Jesus obeyed. He did not sin—ever! Mary and Joseph loved Him very much. But one day, they became really worried when they were traveling home from the big city of Jerusalem. Where was Jesus? They couldn't find Him. Finally, after looking for three days, Mary and Joseph found Jesus talking to the teachers in the Temple. Jesus told them that He was doing His heavenly Father's business. He came to do God's will. Jesus obeyed; He did not sin.

LESSON 11

Jesus was tempted by the devil. But when the devil tried to make Him sin, it didn't work! The Bible tells us Jesus said, "It is written . . ." Jesus knew God's Word, and so should we.

LESSON 12

Jesus called His disciples, and they followed Him. In fact, when Jesus said, "Follow Me!" they dropped everything and followed Him right away. Jesus had work to do, and He chose His disciples to work with Him to do God's will.
