CALVARY KIDS CLUB

WELCOME TO CKC!

Every child, regardless of age/grade starts the program by consecutively going through the following three books:

STARTER BOOK

The starter book introduces the child to CKC and explains the program.

ASSURANCE OF SALVATION - PART 1

This is the first half the Assurance of Salvation books which will give the children a firm foundation of Christianity and what it means to walk with Christ daily.

ASSURANCE OF SALVATION - PART 2

This is the second half of the Assurance of Salvation books.

CKC SWAG

Your child will earn his/her CKC swag (t-shirt, vest, bag, etc.) upon completion of the Starter Book. We hope they will enjoy wearing and using these items as they attend CKC each week as a reminder of what they have accomplished at CKC!

What is a Calvary Kids Club program?

The CKC program is designed to lead your children into a deep and meaningful relationship with Christ. The program is for ages 4 years through 5th Grade and uses age-specific books, activities and assignments to teach your children about Christ, the Bible and how they can walk daily with the Lord.

CKC uses a compilation of books, games, teachings and activities to teach your kids about the Bible and Jesus Christ.

Each year, your kids will complete a set of books and earn patches to display.

CKC books are age-specific and teach a wide variety of Biblical topics. At the completion of the program, your child will have studied every book in the Bible.

Is CKC designed for a specific denomination?

No, CKC is designed for any Christian church. All the books and materials are written directly from the New King James version of the Bible and incorporate only Biblical principles.

Is the purpose of CKC to memorize verses?

The goal and purpose of CKC is to teach children how to have deep, personal relationships with Jesus. Each book has specific memory verses that the child should memorize to facilitate in their spiritual growth. These verses will also help the children in their daily lives.

What type of information is in each CKC book?

After the introductory books, each book is designed to teach a specific Biblical subject. For example, the Old Testament book teaches specifically about each of the Old Testament books. Each book contains useful stories, examples, assignments, Bible memorizations and activities for the children to complete. Upon ordering a book, you will also receive the patch that accompanies that book.
